

Intro

Welcome to YouthMap! In this tutorial you will learn how to navigate and use the website.

YouthMap is an online platform for young people, NGOs, volunteers, specialists/ experts and institutions all active in various fields: culture, education, environment, health, new media, technology, social entrepreneurship or any other areas connected to civil society.

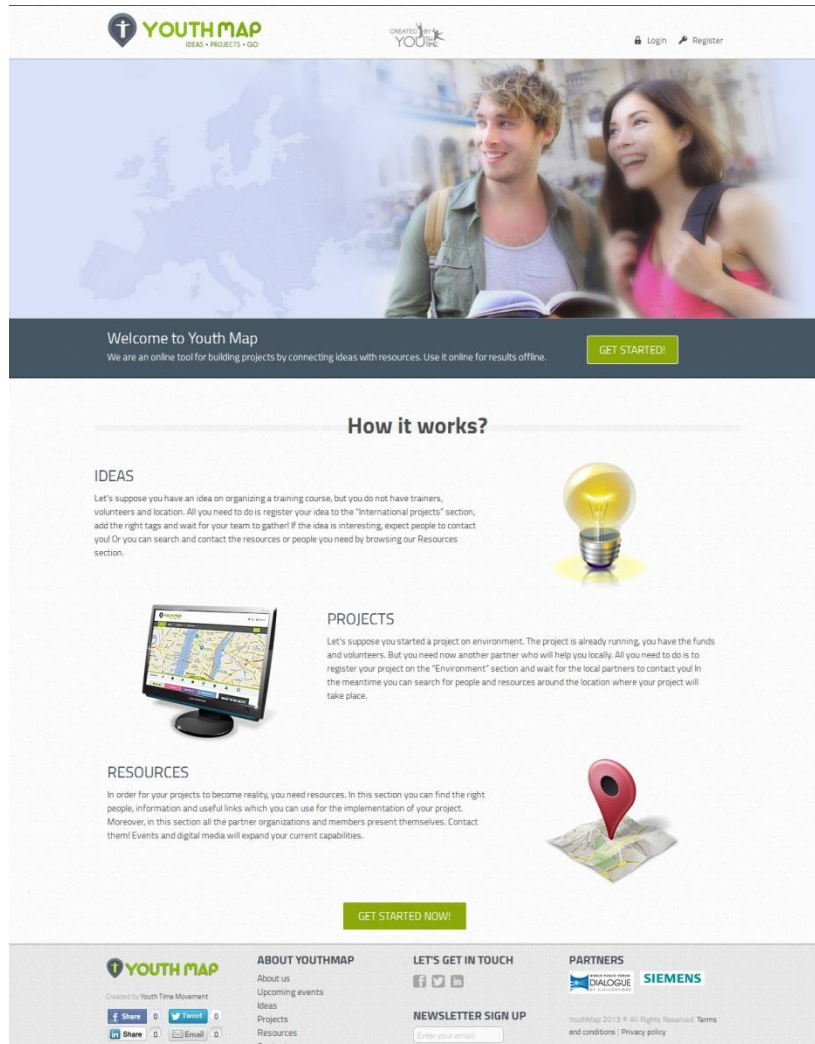

YouthMap's mission is to empower youth to become active players in the society. By combining ideas, projects and resources online, they can impact the world offline.

This is the place to post your ideas and projects and find resources to turn them into reality.

Our website is structured in several sections.

We will explain each of the sections in this tutorial.

Landing page

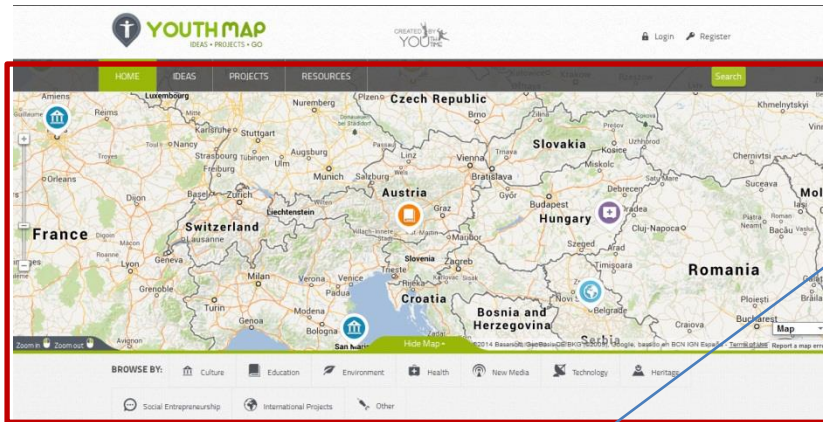

When you first go to www.youthmap.org, you see the Landing page. This is a welcoming page for all the unregistered visitors.

On this page is a brief explanation on how YouthMap works. From here you can press “Get started now” and jump to the Home page.

Once you get registered, this page will not appear again.

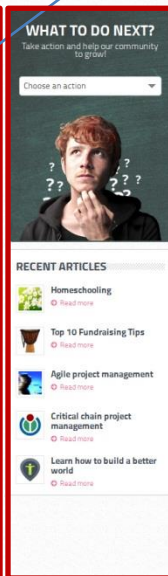

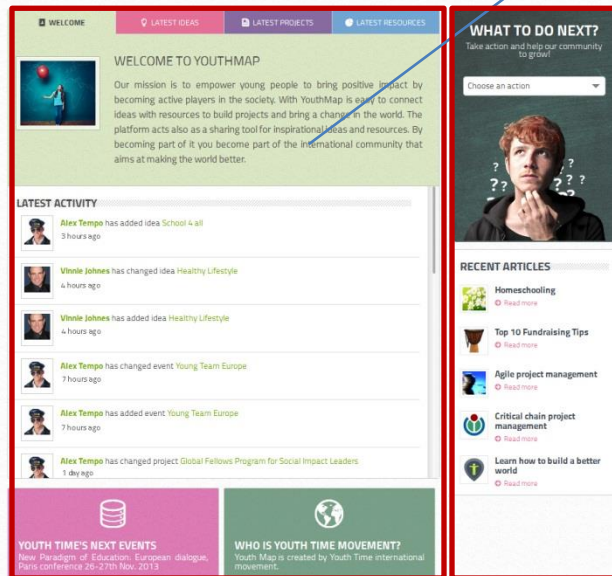

Home page

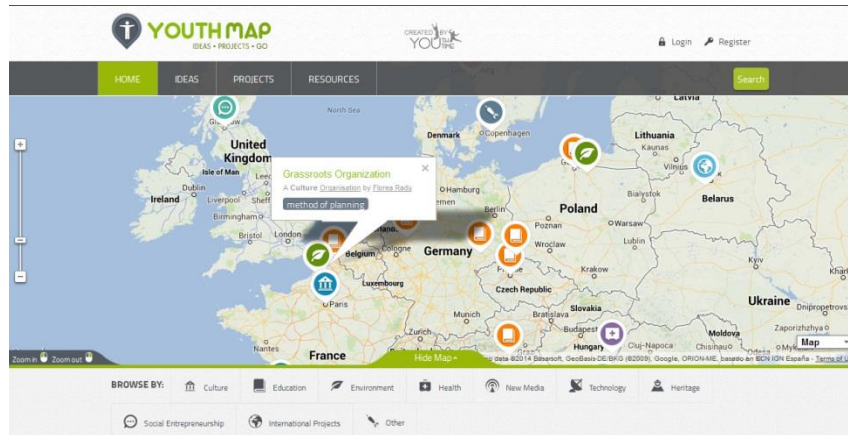

Home page is divided into 3 main sections:

1. Google Map
2. Activities
3. Articles

Let's explore each section.

Google map

This is the Google Map where all the activities are visible (Youth Activities + Google Maps = YouthMap ☺).

All the registered Ideas, Projects or Resources will be displayed on the map. When you will post something, other people will find your activity and click on it. A small popup window will appear showing the name of your activity, the category, your name and tags (keywords for better identification/ description).

You can zoom in by double click on the left mouse and zoom out by double click on right mouse. If you want, you can hide or show the map, by clicking on the green button called "Hide map".

What about the filters beneath the map? These are essential for other people to see to what category is your project connected. When you roll over with your mouse on each filter, a small explanation appear on what that filter does. For example, if you want to post an idea on cleaning parts of Danube River, your post will go to Environment category. Assigning activities to filters is easy when you publish an Idea, Project or Resource.

Activities section

WELCOME TO YOUTHMAP

Our mission is to empower young people to bring positive impact by becoming active players in the society. With YouthMap is easy to connect ideas with resources to build projects and bring a change in the world. The platform acts also as a sharing tool for inspirational ideas and resources. By becoming part of it you become part of the international community that aims at making the world better.

Florea Radu has changed project [Vienna International](#)
1 day ago

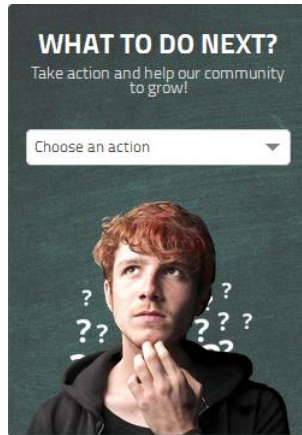

In this section you can see the Latest Ideas, Projects and Resources which other users posted.

But what do Ideas, Projects and Resources mean?

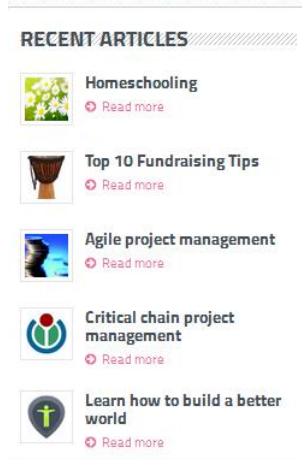

Ideas/ Projects: if you have one of them but you need resources to develop it further, you can post it and wait for interested people to contact you.

Resources: these are formed by registered organizations, members, events and new media (websites, blogs, video, audio, photography, applications etc). Users can find in this section goodies for their activities.

Articles sections

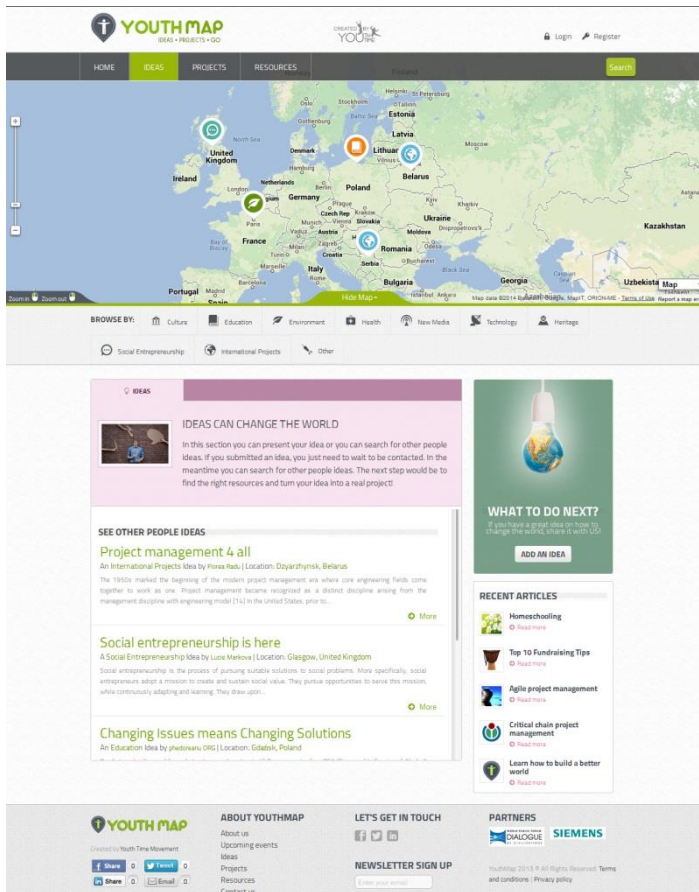

→ From here you can jump directly to post Idea, Project or Resources

→ Below “What to do next” is the Article section. Here you can read regular updated articles written by YouthMap community.

Ideas

By navigating to Ideas...

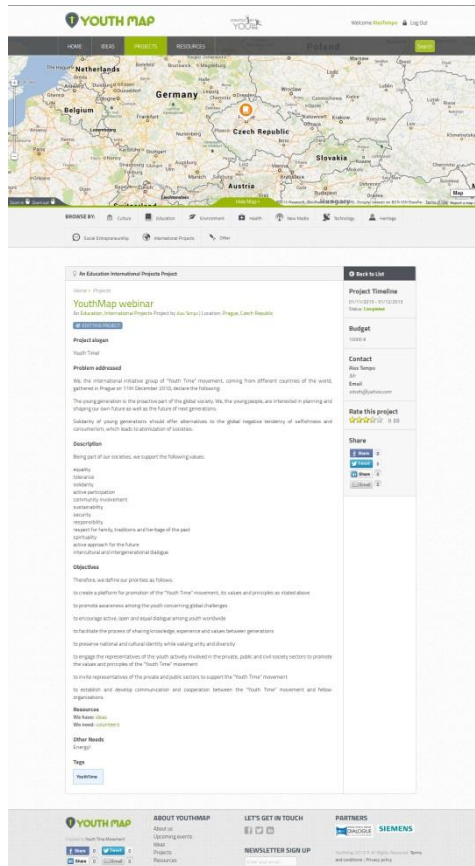

Projects

or to Projects, and combining them with the filters on the map, you can find some interesting activities for your plans.

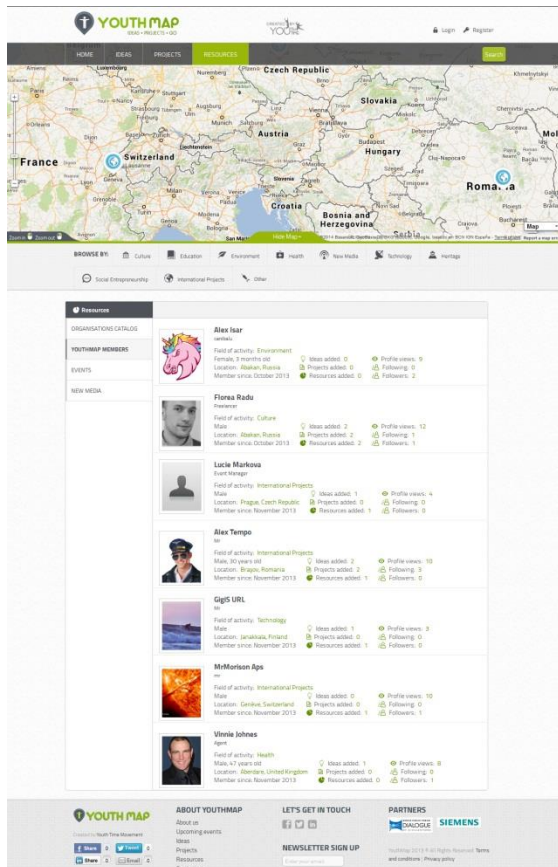

The screenshot displays the YouthMap website interface. At the top, there's a navigation bar with 'HOME', 'IDEAS', 'PROJECTS', and 'RESOURCES'. Below this is a map of Europe with various filters applied, including 'Browse by' (Culture, Education, Environment, Health, New Media, Technology, Heritage) and 'Social Entrepreneurship', 'International Projects', and 'Other'. The main content area features a 'Projects' section with the text 'It's all about projects' and a description: 'When you have a running project but still need inspiration (ideas) or tools (resources), here is the place to come. You can post your project so other people can contact you or you can search for other people projects. At the end it's all about projects!'. Below this, there are three project listings: 'Education seminar' (An Education Project by Elvira Raby | Location: Altenburg, Germany), 'Youth Time webinar' (An Education Project by | Location: Prague, Czech Republic), and 'YouthMap webinar' (An Education, International Projects Project by Awa Tempo | Location: Prague, Czech Republic). Each listing includes a brief description and a 'More' link. To the right of the project listings is a sidebar with 'WHAT TO DO NEXT?' (ADD A PROJECT) and 'RECENT ARTICLES' (Homeschooling, Top 10 Fundraising Tips, Agile project management, Critical chain project management, Learn how to build a better world). The footer contains 'ABOUT YOUTHPAP', 'LET'S GET IN TOUCH', 'PARTNERS' (including DIALOGUE and SIEMENS), and a 'NEWSLETTER SIGN UP' form.

Inside of a Project description

Every time you click on an activity from the list of Ideas, Project or Resources for more details, Google Maps will automatically redirect you to that respective location on the map, for a maximum visual orientation. And below you can read the full description of that activity.

Resources

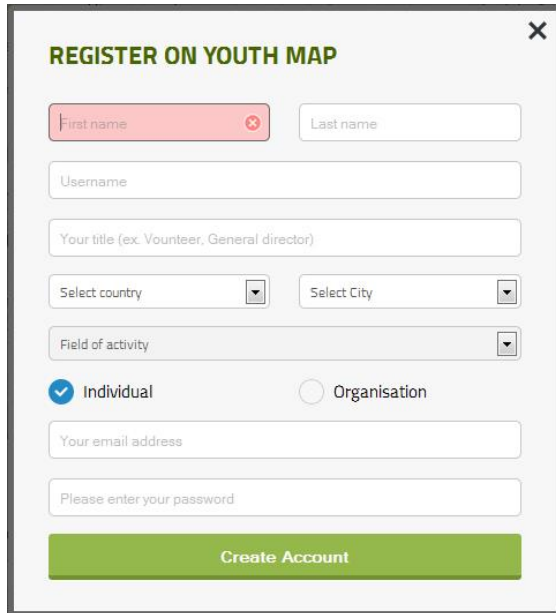

In the Resources page you can find 4 types resources: Organizations catalog, YouthMap members, Events and New Media.

A brief description on each of them:

- Organizations catalog consists of all the registered organizations: NGOs, Universities etc.
- YouthMap members is also a catalog consisting of all the members who registered.
- Events contain all kind of event: trainings, conferences, concerts etc.
- New Media contains everything related to 2.0 era: websites, blogs, forums, audio, video, press, applications, everything which is digital and can serve as a resource for others.

Registration

The image shows a registration form titled "REGISTER ON YOUTH MAP" with a close button (X) in the top right corner. The form contains several input fields and a "Create Account" button. The "First name" field is highlighted with a red border and a red 'X' icon, indicating an error. The "Last name" field is empty. The "Username" field is empty. The "Your title (ex. Vounteer, General director)" field is empty. The "Select country" and "Select City" fields are dropdown menus. The "Field of activity" field is a dropdown menu. The "Individual" radio button is selected, and the "Organisation" radio button is unselected. The "Your email address" field is empty. The "Please enter your password" field is empty. The "Create Account" button is green and located at the bottom of the form.

Here you can see who is following your activities and how many Ideas, Projects or Resources those persons have published so far. Also you can see the users you find interesting and you are following.

Account settings

The screenshot shows the YouthMap website interface. At the top, the header includes the YouthMap logo, navigation links (HOME, IDEAS, PROJECTS, RESOURCES), and a search bar. The user's profile is displayed, showing the name ALEX TEMPO MR, location (Bragov, Romania), field of activity (International Projects), and member since date (November 2013). The profile also shows statistics: Profile views: 10, Followers: 3, and Following: 0. Below the profile, there are buttons to ADD AN IDEA, ADD A PROJECT, and ADD A RESOURCE. The main content area is titled 'ACCOUNT SETTINGS' and contains two sections: 'CHANGE EMAIL' and 'CHANGE PASSWORD'. The 'CHANGE EMAIL' section shows the current email as alextempo@yahoo.com and has input fields for a new email and its confirmation, followed by a 'SAVE' button. The 'CHANGE PASSWORD' section has input fields for the old password, new password, and new password confirmation, followed by a 'SAVE' button. The footer contains links to 'ABOUT YOUTHMAP', 'LET'S GET IN TOUCH', 'PARTNERS' (including Dialogue and Siemens), and a 'NEWSLETTER SIGN UP' form.
